

The logo features the word "SESAR" in large white letters, with "DEPLOYMENT MANAGER" in smaller white letters below it. To the right of the text is a cluster of yellow and green stars of varying sizes, arranged in a semi-circle.

**SESAR**  
DEPLOYMENT MANAGER

LET'S DELIVER TOGETHER

# Delivering ATM modernization within the Single European Sky

Funded by the  
European Union

# SESAR Deployment Manager

- Consortium of **40 operational European ATM stakeholders**, selected by European Commission on December 4th 2014
- **Synchronising & coordinating** modernisation of Europe's Air Traffic Management system
- Developing, submitting to the European Commission for approval, and executing the **Deployment Programme**, a project view strictly drawn from the Pilot Common Project
- Through the Deployment Programme, SDM ensures efficient synchronisation and coordination of Implementation Projects required to **implement the PCP**, as well as the related investments.

# In 2014, Europe took a major step towards ATM modernisation

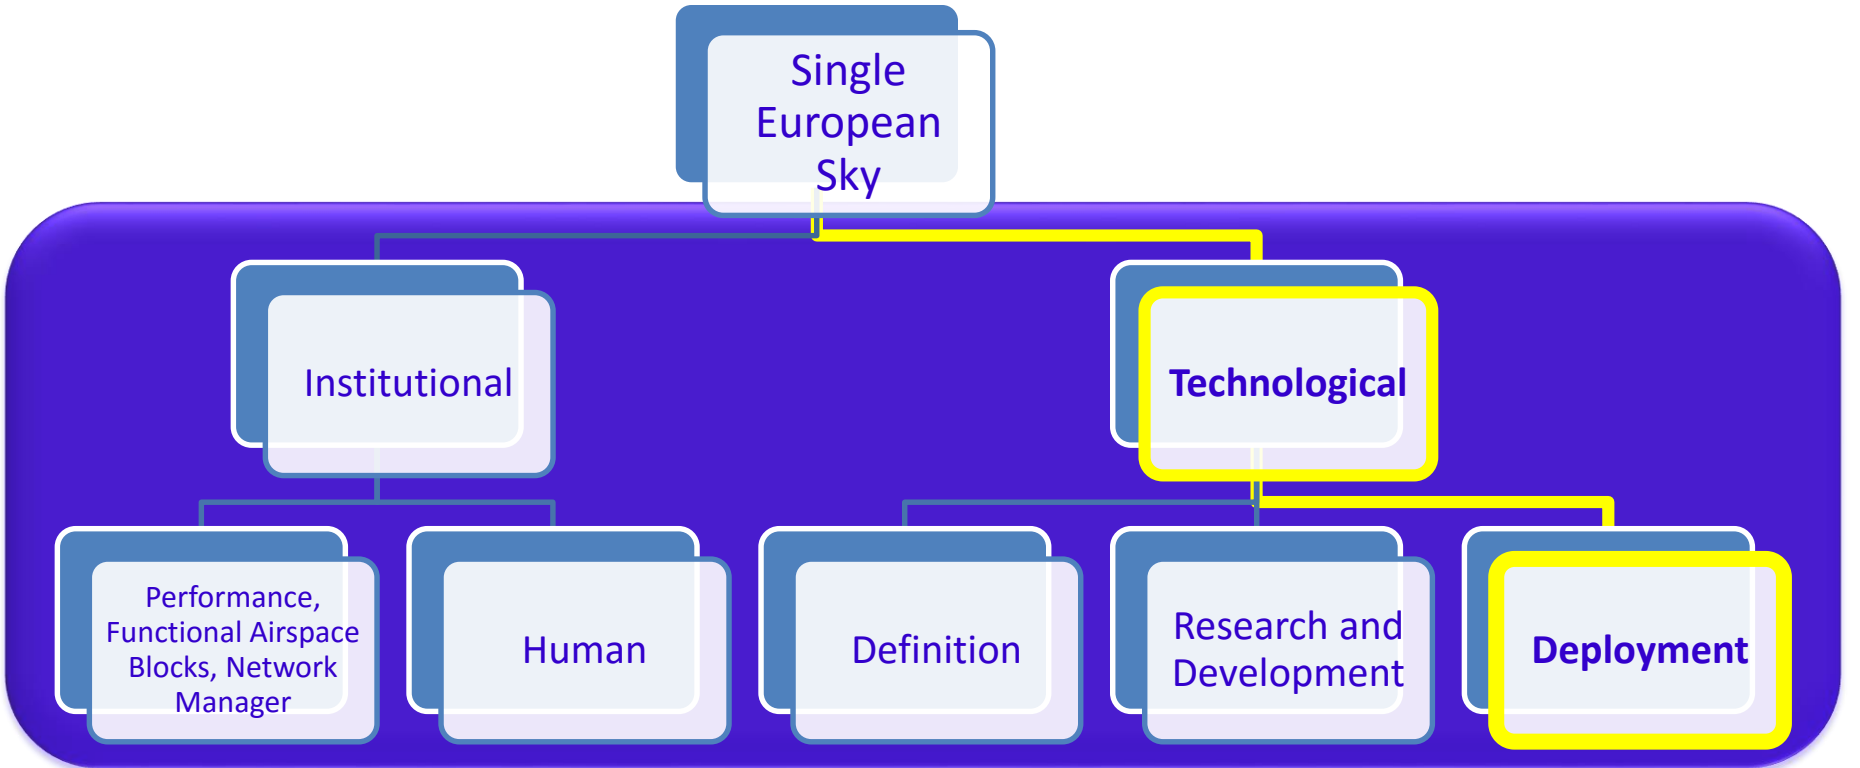

SESAR R&D is delivering, we are **in deployment today**

- First implementation package - the Pilot Common Project - approved in 2014 as an EU Regulation with binding deadlines (EC 716/2014)

SESAR Deployment Manager is:

- Established **under SES** regulatory framework (EC 409/2013);
- A **partnership** between European Union and European industry;
- **Planning, synchronising and coordinating** implementation;
- **100% funded** by European Union.
